

Information Update - Footway Condition Survey Report

November 2001

Subsequent to the publication of the Footway Condition Survey Report in September 2001, it has been noted that the Client-side on-costs have been omitted from some of the published overall treatment costs.

The sections of the report affected by this omission are:

- Item 1. Section 7. Results, body text, page 9
- Item 2. Table 1, Page 9
- Item 3. Table 2, Page 9
- Item 4. Annex 3A, Page 26
- Item 5. Annex 3B, Page 27
- Item 6. Annex 3C, Page 28
- Item 7. Chart sets 3 and 4

These revisions are:

Item 1. "... footway surveyed. Across London the repair costs fall into three bands, £0-£22, £22-£38.50 and over £38.50 per metre of footway surveyed. A summary ..."

Item 2. Table 1.
